Created for our area, by our community.

When we support local, we build **stronger** connections and **brighter** futures for everyone.

Meet the Founder Kerry Allred

I created Kavia Care UK after my own experience at the age of 26, when my dad was given palliative care.

We were suddenly faced with so many questions, decisions and practical things to organise, but we had no idea where to turn.

There was no clear guidance, no single place for information and we felt lost, scared and overwhelmed at a time when we just wanted to focus on making the most of the time we had with him.

This experience showed me how important it is to have trusted, easy-to-access information and local support – all in one place.

That's why I created Kavia Care UK – to bring care, support and communities together, so that no one else has to go through the same uncertainty that we did.

“

At Kavia Care UK, we believe no one should have to face care decisions alone. By bringing care and communities together, we can make things clearer, kinder and more connected for everyone.

A STORY FROM A MALE RESIDENT

“

They treat me like family here – and that means everything.

”

ARTHUR THOMPSON

AGE:
82

FAMILY:
Devoted husband to Margaret (deceased). Proud dad to two daughters, Grandad to four grandchildren and Great Grandad to three.

LIFETIME CAREER:
Worked as a Toolmaker for 42 years at GKN in Bolton.

CARE HOME:
Moss Bank Park Care Home, Bolton

MY STORY, IN MY OWN WORDS

I was born and bred in Bolton. It's a town that built me, and I've always been proud to call it home.

I started work when I was 15 as an apprentice toolmaker. It was hard work, but I loved every minute of it. I spent 42 years at GKN – from the shop floor to training the next generation. I've always believed in doing a job properly and treating people with respect.

I married my wonderful Margaret when I was 23. We had 54 happy years together before she passed. She was my rock.

We raised two lovely daughters, Claire and Susan. They've given me so much joy, along with my grandchildren and great grandchildren. Family means the world to me.

As the years went on, I found things a bit harder to manage on my own. My daughters wanted peace of mind, and after a lot of thought, I moved into Moss Bank Park Care Home. It was the best decision I've ever made.

What makes this home so special? It's simple – the people. The staff are kind, patient and always have time for a chat and a laugh. Nothing is ever too much trouble.

They know me, they listen to me, and they treat me with dignity and respect. I feel safe, cared for, and most importantly, I feel at home.

I've made good friends, we enjoy the activities, the meals are brilliant, and there's always something to look forward to.

“

I may not be able to do the things I used to, but I'm still living a full and happy life here – and I'm so grateful for that every single day.

EILEEN WALSH

AGE:
87

FAMILY:
Widowed. Proud mum to two sons, one daughter, and a much-loved Nana to five grandchildren and four great-grandchildren.

LIFETIME CAREER:
Worked as a Primary School Teacher for over 35 years in Bolton.

CARE HOME:
Queens Court Care Home, Bolton

MY STORY, IN MY OWN WORDS

I was born in Bolton and have lived here all my life. It's my home, and it always will be.

I spent 35 wonderful years as a primary school teacher. I loved watching children grow in confidence and achieve things they never thought possible. Teaching was my calling, and every day felt like a privilege.

I married my late husband, Tom, when I was 24. We had three wonderful children who we raised with love, laughter and a strong sense of family.

Now my days are filled with visits from my family, especially my grandchildren who always make me smile. They bring so much joy into my life.

I chose Queens Court because as soon as I walked through the door, I felt something different – warmth, kindness, and genuine care. It just felt right.

The staff here are like an extended family. They know me, they listen to me, and they always have time for a chat and a laugh.

They respect my independence but are there whenever I need anything. I never feel like 'just a resident' – I feel like Eileen.

I love the activities, especially the bingo and afternoon tea. The food is delicious, and my room is lovely and comfortable.

Most of all, I love the feeling of community. We look out for each other, we celebrate birthdays together, and we support one another through the tough days.

“

This is my home, and I'm so grateful for every person who makes it such a special place to live. I truly couldn't ask for more.

We have complete peace of mind knowing Dad is happy, safe and so well cared for.

OUR DAD:

Arthur Thompson, 82
Resident at Moss Bank Park Care Home, Bolton

OUR FAMILY:

Devoted husband to our late mum, Margaret. Proud dad to Claire and Susan, and much-loved grandad and great-grandad.

DAD'S CAREER:

Toolmaker for 42 years at GKN in Bolton. A hard worker with great pride in his craft.

CARE HOME:

Moss Bank Park Care Home, Bolton

OUR STORY, IN OUR OWN WORDS

Dad has always been the strongest, kindest man we know. After Mum passed away, it was just the three of us for a while, but as Dad's health began to decline, we knew he needed more support than we could give him at home.

Finding the right care home was one of the hardest decisions we've ever had to make. We visited a few places, but as soon as we walked into Moss Bank Park Care Home, we just knew.

The warmth, the smiles, the way the staff spoke to Dad – it felt different. It felt like home.

“

Dad settled in so well, and that meant the world to us. He loves the company, the activities, and especially the food!

He's made wonderful friends and always has a story to tell when we visit.

The staff go above and beyond every single day. They treat Dad with such dignity and respect, and they genuinely care. We see it in the little things – the chats, the patience, the laughter.

It's more than just care, it's kindness from the heart.

Knowing Dad is safe, happy and surrounded by people who truly care gives us complete peace of mind. We couldn't ask for a better place for him.

Thank you to the wonderful team at Moss Bank Park Care Home. You've given us the greatest gift of all – knowing our dad is living his best life.

With love and gratitude,

Claire & Susan

KAREN, MICHAEL & DAVID WALSH

Children of Eileen Walsh

OUR MUM:

Eileen Walsh, 87
Resident at Queens Court Care Home,
Bolton

OUR FAMILY:

Family means everything to us. We're three children who live locally and visit as often as we can. Mum is the heart of our family.

CARE HOME:

Queens Court Care Home, Bolton

WHY WE CHOSE IT:

From the moment we walked in, we knew this was the place for Mum. The warmth, kindness and respect shown to her was incredible.

OUR STORY, IN OUR OWN WORDS

Mum has always been the centre of our lives. She worked so hard to bring us up, always putting us first. When Dad passed away, it was a very difficult time for all of us, and we worried about how Mum would manage on her own.

As time went on, we knew Mum needed more support than we could give her at home, no matter how much we tried. It was one of the hardest decisions we've ever had to make.

When we found Queens Court Care Home, everything changed. From the very first visit, we felt at ease. The team were so welcoming, and they took the time to get to know Mum – and us.

Mum has now been there for over a year, and we honestly couldn't be happier with her care.

She's made lovely friends, she loves the activities, and the staff treat her with such compassion and dignity.

Knowing Mum is safe, happy, and surrounded by people who truly care means the world to us.

She always tells us how well looked after she is, and how much she enjoys the meals (especially the homemade cakes!). Her room is always clean, comfortable, and feels like home.

We see Mum smiling again – and that's what matters most.

Thank you to the amazing team at Queens Court for everything you do. You treat Mum like family, and we are so grateful every single day.

With love and thanks,

Karen, Michael & David ♥
